BAR & CIGAR BONANZA

A tavern comedy where smoke turns into wilds, the bar keeps pouring free rounds and happy hour holds the tokens.

Fumatrón 3000

On reels 2–4 it turns itself and every cell above it into HUMO, the wild smoke. The Humómetro (×2 to ×25) multiplies only the lines that pass through it.

One More Round

Three, four or five bells pour 8, 10 or 12 rounds. La Cuenta — the tab — starts at ×2 and climbs +1 per bell up to ×10; three bells in one round pour ¡Otra Ronda!, four more.

La Hora Feliz

Happy hour: six or more house tokens stay for three respins that reset with every new token. La Caja on reel 5 collects them all; fill twenty cells for the Gran Reserva.

SPECIFICATIONS

ADAPTABLE AFTER SCOPING

Languages, currencies and market profiles · RTP version and bet range · integration with your RGS or API · lobby art and labels for your brand. Each change is assessed first: scope, timing, and whether it needs new math or a new certification.

Figures from the game's math report (exact calculation and simulation), version bcb-0.4. Not certified by a test lab. Fictional credits only — no real-money play. 18+.
